

HAND SANITIZING LOTION NON ALCOHOLIC

This product kills **99% of germs on hands and skin that can spread illness**. It's proven to destroy a broad spectrum of pathogens including e coli, listeria, salmonella, MRSA and staph.

ALCOHOL-FREE

Unlike many sanitizers, This Product DOES NOT contain alcohol.

- Doesn't sting.
- Won't dry out skin.
- Safe to use anywhere on your body – including arms, legs and feet.

UNIQUE MOISTURIZING FORMULA

Contains aloe and coconut oil to leave hands soft, smooth and silky.

- Helps retain skin's natural moisture.
- Dermatologist tested, non-allergenic.
- Contains no fragrances or dyes

SAFE TO REAPPLY EVERY 4 HOURS

Because it's a lotion, this product actually helps soothe and moisturize dry, irritated skin.

- Contains no alcohol, silicone, petroleum or wax.
- Won't dry or chafe skin.
- Won't cause dry skin conditions that can discourage regular use of alcohol-based sanitizers.

QUICK AND EASY TO USE

Whether you use this product from a dispenser or a convenient pocket-size bottle, you'll find it's quick and easy to use.

- Wash and dry hands if dirt is visible
- Squeeze a dab in your Palm
- Rub in Thoroughly until Dry; Tackiness Disappears within a minute
